Unscented Massage Oil

This massage blend is the natural way to uplift your mood & stimulate your senses.

We have blended three premium oils, Sweet Almond, Soybean and Wheatgerm, to develop this fantastic oil blend.

Sweet Almond Oil: Probably the most widely used cold pressed oil for massage and skin care due to it's medium consistency and mild scent. Oleic and linoleic fatty acids make up the bulk of the oils properties with traces of over 9 other fatty acids.

Wheatgerm Oil: A great source of naturally occurring Vitamin E, this oil can be warm pressed or extracted by solvents from the germ of the wheat grain. Vitamin E is an antioxidant. This oil is high in linoleic acid, Palmitic and Oleic acids with
